Playa Popoyo

# 7 BREAKS WITHIN WALKING DISTANCE FROM MAGNIFIC ROCK

1

## **SANTANA'S BEACH BREAK (15-20 min walk):**

Fast & barreling wave on a sandy bottom. Level is intermediate to advanced.

2

## **BEGINNER'S BAY (5 min walk):**

Located just below the hotel. The bay has waves for all levels. A left point break, a reef break, and a solid A-frame that all work on different tides, so there is always something fun to surf!

3

## **POPOYO OUTER REEF (10 min walk):**

This spot is a proper reef break that works only when some decent swell comes around (>4-6 ft). Level is advanced. Not for the faint hearted.

4

## **POPOYO MAIN BREAK (15-20 min walk):**

Super fun A-frame reef break. Reef is not too sharp. Works best between mid-tides to high. Can get slightly crowded at times since the wave is SO fun. Level is solid intermediate to advanced.

5

## **MAGROCK'S LONG LEFT (on Mag Rock's doorstep):**

Fun, long wave with plenty of room to play. Great for both short boards and longboards! Reef, rocky bottom. Level is comfortable beginner to advanced.

6

## **RIVER MOUTH BREAK (25-30 min walk):**

Sandy/rocky/reefy bottom mixture. Less crowded than Popoyo so good alternative when you need your space for solid beginners to advanced.

**...IF YOU WANT MORE SURFING ADVENTURES WE CAN TAKE YOU WITH A BOAT  
TO LANCES LEFT, PLAYGROUNDS AND CHACOCENTE...**
